## Easter Bunny

### Faces

**Materials:** Mini Cheese Circles, Celery Sticks, Baby Carrots, Mini Chocolate Chips

Start by laying out the mini cheese circles on plates. Place two mini chocolate chips on each cheese circle to make the eyes. Cut triangles from the baby carrots to make a nose for each bunny. Place the carrot triangle below the eyes. Cut the celery sticks into very small strips, making sure there is enough for 4 strips per bunny. Place two small celery strips on each side of the carrot nose to make the whiskers. Cut baby carrots in half and place both halves into the top of the cheese circle to make the ears. Enjoy this hip hopping bunny snack!

## Chick Crackers

**Materials:** Whole Wheat Round Crackers, Cheese, Baby Carrots, Black Olives, Circle Cookie Cutter

Lay the crackers out on plates. Slice the cheese into square slices. Use the circle cookie cutter to cut circles out of the cheese slices. Place the cheese circles on the crackers. Slice the baby carrots into rounds. With a small paring knife, cut a small triangle notch out of the carrot rounds. Place two carrot rounds at the bottom of the cracker for the feet. Use one of the small triangles that was cut from the feet as the beak and place it in the middle of the cheese. Cut carrots into small strips for the hair, place at the top of the cracker. Lastly, slice black olives into half circles for the eyes, place above the beak. Enjoy this yummy Easter snack!
