## Waffle and Fruit Crabs

## Awesome August Snack Ideas

**Materials:** Whole Wheat Waffles mix, Strawberries, Bananas, Blueberries

Start by making whole wheat waffles. Place the waffles on a plate. Next, slice a banana. Place two of the banana circles at the top of the waffle. Place a blueberry at the center of each banana circle to finish the eyes. Next, slice the strawberries. You will need to cut 2 of the strawberry slices in thirds for the claws. Place the claws on the sides of the waffle near the top. Then you will need to quarter 2 more strawberry slices for the legs. Lay out 4 of the small strawberries on each side of the waffle to complete the crab. Enjoy this cute breakfast treat!

## Fish in a River

**Materials:** Celery, Cream Cheese, Gold Fish Crackers, Blue Food Coloring (optional)

Start by cutting the celery stalks into smaller celery sticks. Spread the cream cheese in the middle of the celery sticks. Place the goldfish crackers in the cream cheese so they look like they are swimming in a line. To add more fun to this snack, add blue food coloring to the cream cheese before spreading it on the celery sticks, to make it look more like water. Enjoy this simple but fun snack!
