Whole Grain Component (KidKare users)

Providers using KidKare must remember to indicate with the "slider" if the meal contains a whole wheat/whole grain component. If this is not slid to yes we will not know you are serving your whole grain requirement and a meal will be disallowed for that day. Please double check before submitting to CMA.

REMINDER: You can only serve juice 1x a day and only to non infants.

Marks on Bubble Forms

If you are a paper claimer, please DO NOT write or make unnecessary marks on your bubble forms. For example, do not write "closed" and do not cross out meals that you aren't claiming. Doing so can create errors on your claim and may effect your reimbursement. The scanner can not identify these marks correctly.
