## Business Corner

### Fire Extinguishers

Please remember that all providers participating in the CACFP must have a current tagged fire extinguisher available in their homes at all times.

**If you buy a new fire extinguisher, keep a copy of your receipt** so your monitor can see the tag date is current. If you do not have a receipt showing it was purchased within the last year, you must get the fire extinguisher inspected and tagged. ***If you need to send a copy of the receipt to us, please be sure to write your name on it!***

### Recording School Out Days

If you use bubble sheets to claim please make sure that you are writing any days that the children do not have school on the CIF Form or the Menu and Attendance form. If they are written on the bubble form the machine does not scan that information. Doing so will allow you to get reimbursed for meals during regular school hours on the days they are out.

### Not Homes

You must contact the office or your monitor directly if you are going to be out of the house during your day care hours. Not doing so will result in a Not Home.

## Annual Trainings

### Murray Public Library

Thurs Jan 11th	6pm—8pm
