REMINDERS

- **We have received notification from the state that a few things need to be corrected in the homes.**
 - * **WIC and Building For the Future need to be posted where parents can see.** On the Sign in and out clip board is no longer acceptable.
 - * The posted menu must be specific and state what type of milk you are serving.
 - * If you only have kids 2 years and older write: **“1% milk will be served.”**
 - * If you have 1 to 12 years olds write: **“Whole milk for 1 year old and 1% milk for 2 years and older.”**
 - **Error Reports:** Please make sure you are checking your Error Reports!
 - * There are a lot of 6yrs old who are being disallowed for meals when they should be in school. If you have a child who turned 6 but **DOES NOT** go to school, please contact CMA and let us know so we can help fix these errors.
 - * If you have kids in your care who attend **Kindergarten**, please make sure you give us their school schedules. Without the updated school schedules, 6yr olds who attend half day kindergarten will get disallowed for lunch because the computer assumes they should be in school all day.
 - * School Age children are being disallowed for meals while they are in school. Please make sure you are only claiming the kids who are present at the meals. If a child is in school, you should not be claiming that child for Lunch.
- The lunch program offered by schools and our program are the same thing! If the school offers lunch, then you CANNOT claim those children for lunch, this INCLUDES EARLY OUT DAYS!**
- * We are seeing several Capacity Errors. Please make sure you DO NOT have more kids in your care than you are allowed to have. If you are not sure what your capacity is, please contact CMA!
- **CMA Annual Training:** Our required annual training is coming up soon. **We will be offering trainings January-March.** Be on the look out for more information about training locations and times.

HAPPY NEW YEAR!

Materials:

- Mason Jars with Lids
- Waterproof Superglue
- Vegetable Glycerin
- Small Colorful Pine Tree Figurines
- White and Silver Glitter

Directions

1. Use waterproof superglue to attach the tree figurines to the bottom of the jar lid. Make sure your items are centered as desired. Let it dry completely according to the glue specifications.
2. Fill the jar almost completely full with water. Keep in mind you want your trees to be fully submerged.
3. Add a few drops of vegetable glycerin.
4. Add as much glitter as desired.
5. Glue the inner jar lid with the trees to the metal ring with waterproof superglue. Let it dry completely.
6. Finally, add a ring of waterproof superglue around the jar rim before twisting on the lid.
7. Let the lid dry thoroughly before flipping over and shaking.
8. Enjoy this cute homemade Winter Wonderland Snow Globe!

Wonderful Winter Snack Ideas

Polar Bear Yogurt

Materials: Vanilla Yogurt, Bananas, Blueberries

Start by slicing the bananas. Put some vanilla yogurt into small round bowls. Place one banana slice in the middle of the bowl on top of the yogurt and add a blueberry to the banana slice to finish the nose. Then, place two more banana slices on the yogurt at the top of the bowl to make the ears. Place two blueberries above the nose and below the banana ears for the eyes. Enjoy this simple but cute winter snack!

Blueberry Penguin

Materials: Rice Cakes, Blueberries, Strawberries, Clementines

Start by peeling and separating the clementines. Next, slice the strawberries in half. Place a rice cake on a plate. Use the blueberries to create a penguin shaped body around the rice cake. Place a strawberry slice above the blueberries to make a hat. Place two blueberries on the rice cake for the penguins eyes. Cut a clementine piece in half and place below the blueberry eyes for the beak. To finish, add two clementine pieces at the bottom of the rice cake for the feet. Enjoy!
