Late Claim Updates:

All late claims being submitted to CMA (& any adjustments to claims already processed) must be completed by the 20th of the month after that claim was due. If we receive anything after the 20th we will not be able to process & reimburse those funds. Please make note of the claim due dates & adhere to them. Please check your error reports at the beginning of each month for any errors that need to be fixed as this cannot be done after the 20th.

Substitute Care Givers for Relative Care Providers:

In order to claim a meal the meal must be served by the provider. No longer will meals be reimbursed if the substitute care giver is the only one preparing and serving the meal. If the provider is not at home during the meal time the meal will be disallowed. As always, the substitute care giver is only allowed to step in for the provider in cases of emergency. An appointment is not considered an emergency. As a reminder, if you are using your substitute care giver you are required to contact CMA or your monitor to let us know.

Family Holidays:

Per State regulation the following holidays are considered family holidays and will no longer be eligible for reimbursement.

New Years Day * Easter

Thanksgiving * Christmas

Bubble Forms:

As a friendly reminder please do not make any additional marks or comments on your bubble sheets. Fill in the bubbles completely with a no. 2 pencil and write any additional information on your menu and attendance/claim information form. By making any other marks besides filling in the bubbles it generates numerous errors that can alter your claim reimbursement.
