Bubble Wands

Materials:

- Pipe Cleaners
- Colorful Craft Beads
- Cookie Cutters
- Scissors

Directions:

1. Start by wrapping one pipe cleaner around a cookie cutter, to make the shape of the cookie cutter.
2. Connect the ends together to close it shut by wrapping the pipe cleaner around itself a few times. Then cut off any excess pipe cleaner piece with your scissors.
3. Fill a second pipe cleaner about half way full of beads. Bend the end of the pipe cleaner up to keep the beads in place.
4. Then wrap the top of the pipe cleaner around the pipe cleaner shape you made with the cookie cutter to connect the two pieces together.
5. Pour some bubble solution into a shallow dish, dip the pipe cleaner shape down into the solution and then blow bubbles through your bubble wand.
6. Enjoy this fun summer activity!

Under the Sea Goldfish

Materials: Large Rice Cakes, Blueberry Yogurt, Blue Food Coloring, Goldfish Crackers

Pour Blueberry Yogurt in a bowl. Add a VERY small dab of blue food coloring. Stir until it is mixed well and the desired color is achieved. Spoon yogurt onto the top of a rice cake and spread evenly to resemble an ocean. Lay goldfish crackers on top of the yogurt mixture. Enjoy!

Fish in a River

Materials: Celery, Cream Cheese, Goldfish Crackers

Start by cutting the celery into small sticks. Fill prepared celery sticks with your choice of cream cheese. Add the goldfish crackers on top of the cream cheese to look like swimming fish. Optional: you can use flavored cream cheese or add something to it for your choice of flavors. To make it even more fun, try tinting the cream cheese with a little blue food coloring to make it look like water.
