Materials:

- Plain White Mugs
- Sharpies (Various Colors)
- Letter Stickers

Directions

1. Place letter stickers on the mugs to spell out DAD.
2. Have the kids color the mugs using the sharpies. They can make any design or pattern they want.
3. Once the kids have colored around the sticker letters, take them off to make the outline of the word DAD.
4. If the kids don't want to use the stickers, they can use the sharpies to write #1 Dad or any other message on the mug.
5. Once the kids are done coloring the mugs, place them in a COLD oven. It is very important that the oven is cold when you put the mugs in otherwise they will break.
6. Next, heat the oven to 350 degrees and bake the mugs for 30 min.
7. Turn off the oven but DO NOT remove the mugs until the oven has completely cooled down. This is very important because the mug could break or crack if it is not cooled completely.
8. Enjoy this cute Father's day craft!

Super Summer Snack Ideas

Yogurt Fruit Cone

Materials: Ice Cream Cone, Yogurt, Fruit (Any Kind You Want to Use)

Cut up the fruit into small pieces. Let the kids fill the bottom of their cone with fruit pieces. Spoon yogurt into the cone until it is completely filled. Add more fruit pieces to the top of the yogurt. Don't let the cone and yogurt sit too long or the cone will become soggy. Enjoy this healthy, sweet summer treat.

Sunshine Pancakes

Materials: Whole Wheat Pancake Batter, Bananas, Blueberries, Strawberries

Start by making the pancakes. Slice the strawberries and bananas. Place a pancake on a plate. Surround the pancake with strawberry slices for the sun rays. Place two banana slices on the pancake near the top. Place two blueberries in the center of the banana slices for the eyes. Create a smile using more blueberries. Enjoy this cheerful breakfast treat!
