June 3rd is National Trails Day!

National Trails Day was established to celebrate, improve and enjoy America's magnificent trail system. It is the nation's largest celebration of trails, and all that goes with it. In addition to the national trail system, there are countless miles of state, county and local town trail systems for you to enjoy. While today is a celebration of national trails, it is perfectly fine to celebrate all trails in our great nation.

Trail systems are enjoyed for a wide range of activities, including:

- Hiking
- Biking
- Horseback riding
- Bird watching
- Geocaching

CMA
8831 S Redwood Rd
#D1
West Jordan, UT
84088
(P) 801-566-1007

How can you celebrate National Trails Day?

- Get out on a trail with family or friends. Enjoy a wonderful time with nature.
- Host an event - a bike ride or hiking event on your local trail.
- Organize and conduct a trail improvement project - Scouts and many other groups can do important service projects, improving a local trail. Important: This requires permission from the government organization that oversees the trail.

What's for Snack? Frozen Fruit Pops

Ingredients

- 2-3 Kiwis, peeled and sliced
- 1 pkg fresh strawberries, sliced
- 2-3 tangerine oranges, peeled and sliced
- 1 pkg fresh blueberries
- Coconut Water
- Popsicle mold

Directions

- Add cut up fruit to popsicle mold—it's ok if there are spaces. You don't want the fruit to be packed too tightly.
- Pour in coconut water until it reaches the top of each popsicle mold.
- Freeze the molds overnight, or until solid. Once frozen, remove from mold and serve immediately.

TIP: To get the popsicles to separate from the mold easily, run the plastic under warm water until they will easily slide out.

Field Trips

With school out and the weather warming up we know that picnics and park days are around the corner. Please make sure that if you are planning on leaving the home to call and let the office know so we can let your monitor know. If you are going to be serving a meal you must fill out the field trip form and get that meal pre approved. The field trip form is available at the office or on our website; www.cmautah.net under the Forms & Materials tab.

Business Corner:

CPR & 1st Aid Training

Call CMA directly to sign up for upcoming classes.

Classes are held on Tuesdays and are \$35.

Please note that we have found a whole grain granola cereal that qualifies under the new meal pattern. Enjoy!

Sunbelt Granola Cereal

KidKare Updates

If a child is home from school you can mark it in KidKare instead of calling us.

While clicking on the children present during the meal you are working with, click on the 3 lines to the right of the child's name. 3 options come up-click on correct one.

- Sick
- No School
- Present on holiday
