Benefits of Reading

Although school is out for the summer don't forget the many benefits of having your children continue reading.

- 1) Children who read often and widely, get better at it.
- 2) Reading exercises our brain.
- 3) Reading improves concentration.
- 4) Reading teaches children about the world around them.
- 5) Reading improves vocabulary and language skills.
- 6) Reading develops a child's imagination.
- 7) Reading helps children to develop empathy.
- 8) Reading is fun.
- 9) Reading is a great way to spend time together.
- 10) Children who read achieve better in school.

Steve Thorlakson	Natl Safety Council	801-201-0699	\$45
Toby Voss	Save a Heart	801-582-7114	\$45

Business Corner:

****New BCI Renewal Procedure**

Remember, DO NOT go and get your BCI like usual.

****Summer Hours**

Now that school is out for summer vacation please remember that you are still required to call and let CMA know when you are not going to be home during daycare hours. If you need to adjust your meal times to your new summer schedule please call the office.

There is a new procedure that went into effect on May 1, 2018, that requires all relative care providers and those living in the home 12 years and older to get BCI cards. CMA will be offering a one time reimbursement of \$37 per adult (if we already have a BCI on file) per provider to help offset the cost. CMA will mail you detailed information about the process as your renewal date approaches. Please do not delay in getting started with this process to ensure your license is renewed on time. If you have any questions please contact the office.

****Field Trips**

If you are planning any field trips during meal times and wish to claim that meal you must fill out a field trip form found on our website, www.cmutah.net, and get it approved ahead of time. Without pre-approval that meal will be disallowed.

****Capacity**

There have been many errors recently with provider's going over their capacity when claiming. Please make sure to review your error reports that are made available to you each month and if this error is present make necessary adjustments. If you are unsure of how to fix these issues please call the office for assistance. If capacity issues are not addressed and resolved in a timely manner it will lead to corrective action.

****Meat/Meat Alternates for Breakfast**

It has come to our attention that any meat or meat alternate that qualifies for lunch or dinner now also qualifies for breakfast. For example, pork sausage, turkey sausage, eggs, cheese, fish, etc.

Claim Due Dates

May Claims	June Claims	July Claims
Wed, June 6th	Fri, July 6th	Mon, Aug 6th

Please Note: any late claims must be turned in by the 20th of the next month in order to be reimbursed. No exceptions!
