Paper Roll Leprechaun

Materials:

- 1 Paper Roll
- Paint – light pink and light tan
- Gold and Green Glitter Paper
- Black Foam Paper
- Small Black Buttons
- Small Googly Eyes
- Small Orange Pom Pom
- Large Orange Pom Poms
- Black Sharpie

Directions:

1. First cut a strip of green glitter paper to wrap around the bottom of your paper roll.
2. Make the leprechaun's hat by wrapping green glitter paper around to form a roll. Glue a strip of black paper on top and then glue a gold glitter paper buckle on top of this.
3. To make the buckle for the hat: cut out a square and then fold over so you can make a slit mark with scissors in the center. Then you can cut a smaller square in the center of the gold square.
4. To make the bottom of the hat: cut out a circle from your green glitter paper.
5. Glue the top of the hat to the green glitter paper circle.
6. Use the light tan paint to paint the top of the paper roll for the leprechaun's face.
7. Now start adding your large orange pom poms to make the beard.
8. Glue on the googly eyes, pom pom nose, black button and add two small pink circles with paint for the cheeks.
9. Then glue the hat to the leprechaun paper roll.
10. Add the smile with a black sharpie.
11. Enjoy this cute St. Patrick's Day craft!

Shamrock Veggie Skewers

Super St. Patrick's Day Snack Ideas

Materials: Broccoli, Zucchini, Cucumber, Sugar Snap Peas, Snow Peas, Green Peppers, Wooden Skewers, Shamrock Cookie Cutter

Thread assorted green veggies onto wooden skewers leaving enough room at the top to finish each with a shamrock-shaped pepper. To make the shamrock peppers for the top of each skewer cut your green peppers into large planks and use a shamrock-shaped cookie cutter to cut shamrocks out of the green peppers. Thread one shamrock pepper onto the top of each vegetable skewer to finish.

Leprechaun Pancake

Materials: Pancake Mix, Clementines, Green Grapes, Candy Eye, Strawberries

Make a pancake for each child. Cut around the edge to make sure the pancake is a circle. Place the pancake on a plate. Add ears by using the cut edges of pancake. Peel a clementine and place the slices around the bottom to make a beard. Cut some clementine slices in half and place at the top of the pancake for hair and eyebrows. Cut green grapes in half and place them above the hair to look like a hat. Cut the tip off of one grape and use it for the nose. Place two candy eyes above the nose and below the eyebrows.
