HAPPY St. Patrick's DAY

Materials:

- Green Cardstock
- Black Cardstock
- Yellow Cardstock
- Orange Tissue Paper
- Glue
- Scissors

Leprechaun Hat Blowers

Directions:

1. Cut a rectangle out of green cardstock.
2. Roll the green rectangle up to make a tube about the same size as a toilet paper roll and glue the ends together.
3. To make the rim of the leprechaun hat, cut a circle out of green cardstock. It needs to be a little bit wider than the green tube.
4. Put the cardstock tube in the middle of the circle and trace around the bottom of the tube.
5. To make the circular rim fit onto your Leprechaun Hat Blowers, carefully poke a small hole into the middle of the circle with your scissors. Then snip from the center hole outwards to the pencil line that you drew. Repeat it all around the inner circle to make little triangle shaped cuts.
6. Push the green rim onto your Leprechaun Hat Blower and glue it into place.
7. Cut a thin strip of black cardstock to make a band for your leprechaun hat.
8. Wrap the black band around the base of the leprechaun hat and glue it into place.
9. To make the buckle for your leprechaun hat, cut a small rectangle from yellow cardstock and snip out the middle. Glue the buckle onto the front of the hat.
10. Cut a rectangle out of the orange tissue paper long enough to wrap around the tube of the hat. Next cut it into lots of thin strips leaving the top intact.
11. Glue the uncut piece of orange beard into the base of the leprechaun hat leaving the tassels hanging down.
12. Your Leprechaun Hat Blowers are finished. Blow down the inside of the hat and watch the leprechaun beard billow around.
