REMINDERS

- **Update Schedules and Meal Times for Summer:** Summer is fast approaching! Please be sure to call/email the office or call/text your monitor if you are changing your meal times for the summer. Also, please let us know if a child's schedule has changed for the summer so you can get paid for the meals they are attending.
- **Reviews In Home:** Last month we returned to in-home visits. Please be aware that your monitor will be coming out to your home to do Reviews and Home Inspections.
- **Closing out:** Please make sure you are contacting us if you are going to be closed or leaving the house during a meal time or if you are going to be closed for vacation. You can call/email the office or call/text your monitor if you need to close out. If you DO NOT call to close and your monitor comes to your home to do a Review, it will be considered a Not Home and you will receive a Corrective Action.
- **Field Trip Meals:** If you plan to take field trips with your kids this summer and you are going to have a meal while away from your home, please make sure you are getting the food you will serve at the meal approved. You must submit the **Field Trip Food Service Documentation form**, that can be found on our website, to the Director **48 hours** before the field trip. Debbie has to approve the meal and make sure it is creditable before you can claim a field trip meal.
- **School Age Kids CANNOT be Claimed While at School:** Please remember that all meals that you are claiming must be served IN THE HOME WITH THE CHILDREN PRESENT! This means, that if you are packing a lunch and the children are eating it at school, that DOES NOT count as a meal you are serving to those children and you CANNOT claim them for Lunch! **Do not claim school age children for lunch when they are at school!**

Meat/ Meat Alternate Reminders

Meat

Meat options include lean meat, poultry, or fish. The creditable quantity of meat/meat alternates must be the edible (cooked) portion.

Yogurt

Yogurt may be plain or flavored, unsweetened or sweetened. **Yogurt must contain no more than 23 grams of total sugars per 6 ounces.** Non-commercial or non-standardized yogurt products are not creditable food items.

Nuts Seeds and Nut Butters

In order for Peanut Butter or other Nut Butters to meet the requirements, you must serve 2 TBS for 1-2 year olds, 3 TBS for 3-5 year olds and 4 TBS for 6-12 year olds.

This is a lot of peanut/nut butter to be serving for one meal, so you may want to serve peanut/nut butter as a portion of the requirement and pair it with some cheese or another meat alternate to make up the rest of the requirement. You can also put the peanut/nut butter on a sandwich and add the rest on the side to dip apples into as a way to get the full requirement.

Make sure the kids are receiving the full requirement for the components at each meal based on their age group.

Strawberry Lady

Materials: Strawberries, Raisins, Pretzel Sticks, Spinach

Start by placing spinach leaves on a plate. Next, cut the strawberries in half. Place the strawberries on the spinach leaves. Add raisins to the strawberries to look like ladybug dots. Add pretzel sticks to the strawberries to look like a ladybug antennae. Enjoy this simple but cute spring snack!

Fruit Suns

Materials: Mandarin Oranges, Cheese, Ritz Crackers, Circle Cookie Cutter

Start with placing Ritz crackers on a plate. Slice the cheese. Using the circle cookie cutter, cut circles out of the cheese about the same size as the Ritz crackers. Place the cheese circles on the Ritz crackers. Peel the mandarin oranges. Place the orange slices on the plate around the cheese and crackers to look like sun rays. This snack is a perfect snack for a sunny spring day!
